Kids Club

Become a Super Saver!

FEDERALLY INSURED BY NCUA

HFS Federal Credit Union's Kids Club In-School Savings Program gives keiki the opportunity to learn valuable money management skills while building healthy saving habits that can last a lifetime. Students discover the importance of setting goals, saving consistently, and making thoughtful spending choices—all while having fun along the way!

Twice each month, HFS staff visit participating schools from 7:15 a.m. to 7:50 a.m. to collect deposits for students' HFS Kids Club Savings Accounts, making saving simple, convenient, and rewarding.
